Discover Your Heritage

Start with a photograph or everyday object and ask what it can tell you about the people and places around you.

LEARNING OBJECTIVES

1. Describe what you see; leave unknown facts open.
2. Ask a trusted person a respectful question.
3. Make a first record and choose what to share.

STARTER ACTIVITY

1. Choose one photograph or object you may examine; use a copy.
2. Write or draw three observations. Ask someone one question.
3. Complete the record and keep a question to explore.
