Share Your Memories

Choose a memory you would like to keep. You can share it in writing, in conversation or through a recording, using the language you prefer.

LEARNING OBJECTIVES

1. Choose your subject, language and format.
2. Keep your own words and name the recorder.
3. Record people, places and approximate dates.
4. Review the account and choose its audience.

STARTER ACTIVITY

1. Choose a subject, language and whether to write or record.
2. Ask what happened, who was there and what matters. Pause or skip questions.
3. Review the account together and note corrections.
4. Record the sharing choice and give the contributor a copy.
